## EXCURSIONS & CRUISES

### Local Island Experience | Half-day

Visit local fishing villages (Meedhoo/Bandidhoo) to experience the ways of Maldivian life style and culture. See the mosque, the primary school and the power house. Of course you can do some shopping as well.

### Local Island Experience | Full-day

Visit 3 different islands, the two fishing villages Meedhoo and Bandidhoo and an agricultural island. On the local islands you can visit a school and mosque, experience how local people live, know a little more about their culture and enjoy shopping. On the agricultural island a delicious lunch will be served under the shade of the palm trees. There is also time for snorkeling, swimming and sunbathing.

### Snorkeling Safari | Half-day

In this snorkeling trip you may have the opportunity to discover the underwater beauty of this last paradise and experience the underwater world and the coral gardens. Everyday we visit another amazing place. You may be lucky enough to see many variety of unique fishes, like eagle rays, napoleon fish, turtles, sharks and many more.

### Dolphin Sunset Cruise

You may be lucky enough to experience the sight of a school of dolphins jumping and playing around few meters away from you. Take some pictures for you and your friends, for those who may have not experienced watching the real dolphins in their lifetime.

### Sunset / Sunrise Fishing

You will be taken by a motorized Dhoni to a nearby reef, where you can try the Maldivian traditional style "hand reel fishing" with our experienced Dhoni crew while enjoying the beautiful horizon. You may be lucky enough to catch fishes like red snapper, white snapper, grouper, barracudas, jackfish and many more. Your catch will be grilled for you the following day evening and served at 'The Aqua' or 'Well Done'.

### Big Game Fishing

If you enjoy fishing or just trying something new, then this could be an unforgettable event for you. Fishing is known for being relaxing, added to that is the peace and quiet that early morning can bring. We set sail before sunrise; as the new day begins the fish start biting on the hook and so the fun begins. Marlin or Sailfish, Wahoo, Barracuda, Jackfish and Tuna are just some of the fishes you may catch. Breakfast and free drinks will be served onboard. Your catch will be cooked for you the same day evening and served at 'The Aqua'.

Prices may change or excursions could be cancelled without prior notice. Children under 2 years are free and up to 12 years get 50% discount on all excursions. Please be at the Reception 15 minutes before departure. Don't forget to bring your sun lotion, mosquito protection and snorkel equipment with you. While we go to a local island please cover your shoulders and wear shorts or skirts not shorter than knee level. Free drinks are available during the excursion.
